Re: Extension for Submitting 1993 Annual Report, Barrick Mercur Mine, M/045/017,
Tooele County, Utah

Dear Mr. Beatty:

Thank you for your January 19th letter requesting a time extension to submit the annual report for Barrick Mercur's Gold mine.

The Division acknowledges the time involved in producing the disturbed area maps and updating the surface configuration changes. Consequently, your request for an extension until March 31, 1994 is granted. We appreciate receiving notification of the delay and your commitment to provide the required report in a timely manner.

Sincerely,

D. Wayne Hedberg
